From Where We Came is a powerful and moving account of this journey, from our earliest origins in Africa to the present day. The book is a testament to the diversity of human cultures and experiences, shedding light on the challenges and triumphs of our collective past.

Author Dr. Sarah Jones takes readers on a journey across continents and centuries, exploring the origins of different cultures and civilizations. She delves into the stories of our ancestors, from the first hominids to the great

empires of antiquity. Along the way, she uncovers the interconnectedness of our histories, showing how different cultures have influenced and shaped one another.

From Where We Came is not only a history book; it is also a call for greater understanding and compassion in our world today. By exploring the roots of our shared history, we can gain a deeper understanding of ourselves and our place in the world.

In a time when fear and division are on the rise, *From Where We Came* offers a timely reminder of our common humanity. The book is a powerful antidote to the forces that seek to divide us, and a call for a more inclusive and just future.
