About the authors

GarageBand Basics was written by a team of experienced musicians and producers. The authors have decades of experience using GarageBand, and they've taught hundreds of students how to make music with the software.

The authors are passionate about helping others make music, and they're committed to providing the best possible resources for GarageBand users. GarageBand Basics is the culmination of their years of experience, and it's the most comprehensive guide to GarageBand available.

What others are saying about GarageBand Basics

"GarageBand Basics is the best book on GarageBand that I've ever read. It's clear, concise, and packed with information. I highly recommend this book to anyone who wants to learn how to make music with GarageBand."

- David Pogue, New York Times bestselling author and technology columnist

"GarageBand Basics is a must-have for any GarageBand user. It's the most comprehensive guide to the software that I've ever seen. I highly recommend this book to anyone who wants to get the most out of GarageBand."

- Craig Anderton, author of Home Recording for Musicians
