Prayer For Strength When Going Through Divorce

Dear Lord,

I need you in this very difficult time in my life. I am going through something I never thought I would go through. My marriage has broken up. My home is in ruins. My life is about to change dramatically. The one I called my partner is no longer here. I pray for your strength today. I pray for your loving kindness and mercy. Help me figure this out.

Give me the wisdom and strength to go through this separation. Let this process not drain me of my faith in you. Only you know the future and what is right for me. I surrender to your will. Wipe my tears away. Let me be steadfast and firm in your love. Help me resist all evil plans and plots of the devil. Help me not do anything rash that will destroy my future.

If I lost anything to this marriage please restore it upon me. I need your guidance. Throughout the court processes and movements help me hold my own. Be my lawyer. Be my shoulder to cry on.

Thank you, Everlasting Father.

Amen
