

Trump Administration Loses Its Mind: No Surrender

The Trump administration was a tumultuous and dangerous period in American history. The president, Donald Trump, was a volatile and unpredictable leader who often made decisions based on his gut instinct rather than on facts or reason. His administration was also marked by scandal, corruption, and chaos. In the final days of his presidency, the Trump administration reached a fever pitch of insanity.

The book *Trump Administration Loses Its Mind: No Surrender* provides a riveting account of this chaotic and dangerous period. The book is based on extensive interviews with key players in the administration, and it provides a never-before-seen look at the inner workings of the White House during this tumultuous period.

The book begins with the 2020 election. Trump lost the election to Joe Biden, but he refused to concede defeat. Instead, he launched a series of baseless lawsuits and made baseless accusations of voter fraud. He also encouraged his supporters to protest the results of the election, and some of these protests turned violent.

In the weeks leading up to the inauguration of Biden, the Trump administration became increasingly unhinged. Trump continued to make baseless accusations of voter fraud, and he even encouraged his supporters to march on the Capitol building on January 6, 2021. The mob of Trump supporters stormed the Capitol building in an attempt to overturn the results of the election. The attack was a violent and deadly event, and it was the culmination of the Trump administration's descent into madness.

Trump Administration Loses Its Mind: No Surrender is a must-read for anyone who wants to understand the chaotic and dangerous final days of the Trump administration. The book is a fascinating and disturbing account of how a presidency can go mad.
